

## Blanket squares

### Instructions

Cast on enough stitches to make 8" (20cm), which should be 40 stitches. Try to make your stitches neither too loose nor too tight to help ensure uniform squares. This may vary slightly depending on your tension.

Note: Check your gauge (tension) after 3 or 4 rows. This will save you some frustration if the square is too wide or not wide enough. Adjust accordingly by starting with more or less stitches.

Row 1: knit

Row 2: knit
